### DIANA GONG APPOINTED QA MANAGER AT ISE

**July 2008**

**PORT COQUITLAM, BC** – Effective July 1, 2008 Diana Gong assumed the role as ISE's Quality Assurance Manager.

*Diana has been ISE's Quality Control Technologist since 2006. She holds a Bachelors of Materials Science Engineering from Shanghai University, China. Since 1986, she has held positions as Marine Surveyor, Materials Engineer, ISO9000 Auditor in Shanghai, and Quality Assurance Inspector, developing quality control planning and procedures with a manufacturer in Richmond, BC. While in these positions Diana has contributed to several quality assurance regulations, work procedures and guidelines, acting as lead member on several marine product surveys and consultative projects.*

*Diana's primary responsibility as QA Manager is to ensure that ISE's quality assurance objectives are continually met or exceeded to ensure a customer satisfaction level that contributes to defining ISE as the leading manufacturer of underwater vehicles.*

*If you have any questions pertaining to ISE's Quality Assurance Program, please contact Diana at telephone (01) 604-942-5223 or email [info@ise.bc.ca](mailto:info@ise.bc.ca).*
